## **ITEMIZED PRICE LIST**

These prices are effective as of October 10, 2025,  
and are subject to change without notice.

**Though the majority of our client families select one of our complete Burial Offerings or Cremation Offerings because of their simplicity of choice, ease of selection, and substantial financial savings, some individuals elect to create a customized ceremony from our itemized price list. For those families, we offer our General Price List on the following pages as well as our Casket Price List, Cremation Casket / Container Price List and Outer Burial Container Price List.**

**Ask your funeral director for the Lake Shore Loyalty Program Offerings for consideration.**

## OUR COMMITMENT TO YOU

Our staff is courteous and understanding; our services are handled with dignity and respect. If you are not completely satisfied with any of our services, we will reduce or eliminate the charge. We are the only funeral home in the area to offer this guarantee.

Funeral and Cremation costs can be very confusing. Often times other funeral and cremation providers quote a low price, but they do not give you the complete costs. There may be hidden add-on charges after you have chosen to utilize their services. Integrity and honesty insure a positive experience for all involved, which is why we have created our "No Hidden Fee Guarantee" package plans.

These plans include: Funeral Home Service Fees and Funeral Home Merchandise

**"We guarantee that the price we quote you will be the price that you will pay."**

Cash advance items and cemetery expenses (third party expenses) are not included in the guarantee. Some funeral homes fail to disclose additional fees that may be necessary. These include cemetery expenses, obituaries, honorariums (clergy, musicians, soloists, altar servers), escorts, flowers, death certificates, catering, sales tax, etc. We will be more than happy to give you a quote so that you will have an estimate that is as accurate as possible since many of these fees vary.

If you are ready to begin pre-planning, you may use our secure and confidential website or feel free to give us a call at [254-752-5900](tel:254-752-5900).

## **PAYMENT POLICY**

Methods of Payment prior to services being rendered:

1. Financing through Family Shield Credit (subject to approval - terms may vary)
2. Cash, Check, Money Order, Cashier's Check
3. Credit / Debit Cards: Visa, MasterCard, Discover
4. Pre-paid Funeral / Cremation Contract from our funeral home or from other funeral homes
5. \*Life Insurance: must be verifiable, assignable, and past the contestability period of 24 months. We cannot accept insurance for cases where the Justice of the Peace or Medical Examiner has filed a "pending" delayed death certificate.

\*Please Note: If you elect to pay with insurance, we utilize a third party funding company (Express Funeral Funding). The funding company will charge a funding fee of **6.25%** on the amount assigned.

## **PRE-ARRANGED PLANS**

We will honor other local and non-local funeral home prepaid funeral plans which are valid, currently in force and transferable. Lake Shore Funeral Home offers two types of prearrangement plans. You may prepay for the services in advance which freezes the cost on the items you selected. The cost will never change. We offer monthly payment installments for these pre-paid plans. You may also pre-arrange the services you desire and not pay anything in advance. In this case the cost may change in the future with inflation but your wishes will be kept on file at our facility.

## Schedule of Fees & General Price List

This General Price List is available for your retention, if you so desire. These prices are effective **October 10, 2025**, but thereafter are subject to change without notice. The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

An \* below indicates standard items that make up a "traditional service charge".

## Considering Cremation? It's a Matter of Choice!

**Attention Consumer:** Every funeral home advertises “cremation services” but don't be fooled!  
**Not all funeral homes have crematories. And, Not all crematories are equal!**

### Important Questions to Ask

#### Who Owns the Crematory?

Most funeral homes subcontract this important service to a third party crematory. We are proud to have invested in the construction of Waco's premier, **private, in-house** crematory facility for your peace-of-mind. You can be assured that every detail is handled with the highest standards of care by our professional staff.

#### Where is the Crematory Located?

Unlike other funeral homes, our crematory is in-house within our funeral home at 5201 Steinbeck Bend in Waco. This assures that your loved one stays under our professional care and responsibility at all times and has not been transferred to some multi-user crematory, sometimes in another county. “Chain of Custody” is vitally important when dealing with cremation.

#### When Can We Inspect It?

Most cremation providers do not want you to visit their crematory because they are typically in warehouses in industrial districts. We encourage you to visit our Cremation Tribute Center because it is part of our funeral home facility. You may stop by anytime, unannounced, to inspect our state of the art cremation facility.

#### What is Most Important to you?

Costs? Peace-of-Mind and Confidence? Or Both?

**Then Lake Shore Funeral Home and Crematory is the right choice for you and your family!**

## The Cremation Tribute Center at Lake Shore

**Ask about our VETERAN FLAG RETIREMENT honors!**

**THANK YOU FOR ALLOWING US THE HONOR TO SERVE AND REPRESENT YOUR FAMILY!**

# Our Cremation Tribute Center & Private, In-house Crematory

## What makes Lake Shore Crematory unique when it comes to Cremation Services?

### We are the Cremation Experts!

Highest Standards: Our family philosophy is to set the standard when cremation is preferred. We **exceed** the state cremation requirements when compared to other crematories. You will find that the value of our private, in-house crematory and its amenities far surpass your costs. Our tribute center has its own comfortable “good-bye suite” for families to go as far as you can with your loved one. You can even witness the beginning of the cremation from this same room. The crematory is equipped with an automated loading system that is controlled by the family as they say their final good-bye in a peaceful setting. See first-hand – ask for a tour!

Unlike others, our in-house crematory is operated by our licensed funeral directors that also have been certified with in-depth training. These certified specialists have also taken oaths requiring strict operating procedures and adhering to professional ethics. You can rest assured that your loved one will always be in our care, handled with the utmost regard and respect, and that our in-house premier cremation center will always provide peace of mind in knowing your loved one is our personal client. We have a definite tracking system in place for each step regarding who and where the remains are at any given time.
